Transportation note:

You are encouraged to walk, bike or take transit to PSU. The MAX Green Line serves PSU. But if you drive, paid parking is available in a parking structure below the building. The entrance to the parking structure is just south of the intersection of 4th and College. If you park in the structure, the elevators from the parking structure will take you to the Fourth Avenue Building. To get to the Engineering Building, walk out the front doors of the Fourth Avenue Building and walk across the plaza.
